All Participants will be given a copy of this Code of Practice or may download a copy from our website – www.leadershipmanagement.com.au

Prior to the commencement of any training course conducted by LMA, an Overview Session is held for Participants. The purpose of the Overview Session is to ensure that all training and assessment information is provided prior to the commencement of the course.

 - Or the Certificate in Adult Education and Training (Level 3) (NZQA) or equivalent.
- LMA incorporates adult learning principles throughout the delivery of its training courses. Participants are encouraged to take responsibility for their own learning and to actively participate in the learning and assessment process
- Delivery methods and assessments will incorporate a variety of methods to ensure a safe, equitable, participatory and stimulating training environment. Assessment tools are closely linked to both the training course and workplace requirements

Deferment of Training

For a Participant to be able to carry through credits for the work they have completed, there is a six (6) month deferment time-line for the period between when the Participant defers and when they may re-commence their course. The Participant must complete a "Participant Deferment/Transfer Application Form" and pay the appropriate Deferment/Transfer Fee (refer Deferment/Transfer Fees document). If the period is beyond 6 months they will be re-enrolled as a new Participant and will be required to re-do the course work. This will attract an additional standard facilitation fee. In the case where a Participant is no longer employed by the employer, so does not request a deferment, LMA will submit the unit standards that have been successfully completed. There is no cost to Participants for submitting results, provided all course fees have been paid.

All LMA courses must be completed with the nominal duration set for the qualifications by the government. In most cases, the maximum number of times a Participant can defer from a course within the nominal duration is twice. Participants who do not re-enrol to complete their course within the nominal duration will be required to re-commence their course as a new enrolment.

- (iii) each appellant has an opportunity to formally present his or her case
